BULLSHIT!

FUCK!

The shampoo, the body wash.... They're all the brands that I use.

Song Zhao is using this method to prove to me that my fate is already in his hands...

Thankfully someone interrupted earlier...

If I had really poisoned Song Zhao with the ring, the consequences would be unimaginable...

But wait, who's Ms. Z?

Sigh...

ZIHANG,

Lang, how are you? Did Song Zhao trouble you too much?

It's fine. No need to worry.

SONG ZHAO.... HE ALREADY PROMISED TO HELP US. THE MATTER WITH THE QING MAFIA SHOULD BE RESOLVED SOON.

I KNEW IT/ THERE'S NOTHING IN THIS WORLD THAT LANG CAN'T FIX.

If Zihang knew the price of this exchange, would he still be able to accept it?

Lang, when are you coming back? I'll have someone to pick you up.

NO/ DON'T COME!

I... STILL HAVE SOME UNFINISHED BUSINESS WITH SONG ZHAO.

I'M NOT HAPPY WITH YOUR ANSWER...
